You may still incur out-of-pocket expenses above the amount we pay. Before booking your treatment, call us to find out the benefits you can expect to receive, and what out-of-pocket expenses you might incur.

? What does it mean?

✓ Included Service

We pay benefits towards overnight and same day hospital accommodation, intensive care and medical services where a Medicare benefit is payable. Medibank has arrangements with most private hospitals and day surgeries in Australia - these are known as Members' Choice hospitals. You'll generally get better value if you go to one of these providers.

If you're treated at a non-Members' Choice private hospital, we'll generally pay lower benefits and you may incur significant out-of-pocket expenses.

Where you're treated as a private patient in a public hospital, we'll pay benefits towards overnight and same-day accommodation in a shared room. If you have a private room in a public hospital, we may pay an additional amount towards this, but the hospital may still charge you an out-of-pocket expense.

! Restricted Service

A Restricted Service is a service where we pay the minimum benefit set by the government towards hospital accommodation.

If you're treated in a private hospital for a Restricted Service, you are likely to incur substantial out-of-pocket expenses because this minimum benefit will not be enough to cover all hospital costs.

For Restricted Services as a private patient in a public hospital we will pay minimum shared room benefits.

x Excluded Service

An Excluded Service is a service that we won't pay any benefits towards, including any hospital accommodation or medical services.

Medibank hospital cover does not pay towards cosmetic treatment that is not medically necessary, or non-PBS drugs.

Common and Support Services

There are a number of Medicare Benefits Schedule (MBS) items that will also be included to support the services under this cover where a benefit is payable. These may include items like in-hospital consultations and some scans, tests and anaesthetics that are associated with your hospital admission.

* For ambulance attendance or transportation to a hospital where immediate professional attention is required and your medical condition is such that you couldn't be transported any other way. TAS and QLD have State schemes to cover ambulance services for residents of those States.

*Your Hospital cover does not include non-PBS drugs. We will only pay towards cancer-related surgery where that surgery is an Included or Restricted Service under your cover.

* For Dental surgery performed by a dentist rather than a medical practitioner we only pay benefits towards hospital charges. If the surgery is performed by a medical practitioner and Medicare benefits are payable, we will pay benefits towards the hospital and medical charges.

+ For Podiatric surgery we only pay benefits towards hospital charges. There are no Medicare benefits payable for podiatric surgery. This means we also don't pay any benefits towards the podiatric surgeon's fees under Hospital cover and you could incur significant out-of-pocket expenses.

Accident Cover Boost means that any Excluded or Restricted Service will be treated as if it is an Included Service, where you require hospital treatment as a result of injuries sustained in an Accident. It only applies to hospital treatment received within twelve (12) months of the date of the Accident occurring, and where:

- The Accident occurred after joining your cover
- The Accident occurred in Australia
- Your cover was not suspended at the time of the Accident
- You sought treatment from a medical practitioner within seven (7) days of the Accident

See your Member Guide for more information.

? Things you need to know about your Hospital cover.

Waiting periods

A waiting period applies when you join Medibank, or change your cover to include new or upgraded services. We won't pay benefits for any items purchased or services received while you are serving a waiting period.

Switching from another health insurer?

You may not need to re-serve waiting periods if you join Medibank within 2 months of leaving your previous health insurer, and you've already served the waiting period for that service.

Accident Waiting Period Waiver

Where a 1 day or 2 month waiting period applies to a service or treatment under your Hospital cover, it may be waived for claims resulting from an Accident that occurred after joining this cover.

Waiting periods	
1 day	Ambulance services.
2 months	Hospital psychiatric services, Rehabilitation and Palliative care.
	Hospital treatment for conditions requiring hospitalisation that are not deemed pre-existing conditions.
12 months	Pre-existing conditions. An ailment, illness or condition that, in the opinion of a Medical Practitioner appointed by Medibank, the signs or symptoms of which existed at any time in the 6 month period prior to the day on which you became insured under the policy or changed your cover.
	Continuous Positive Airway Pressure (CPAP)-type devices.

Excess

This is the amount you pay towards your hospital admission (same-day or overnight) before we pay any benefits. There are three excess levels on this cover, \$250, \$500 and \$750. The excess applies per member, per calendar year and it doesn't apply to Child, Student or Adult Dependents on a family membership. Some hospitals may require you to pay the excess at the time of admission.

☆ Making the most of your Hospital cover.

Go to a Members' Choice Hospital

Medibank has arrangements with most private hospitals and day surgeries in Australia, so you generally get better value for Included Services if you go to one of these providers.

To find your nearest Members' Choice hospital, visit medibank.com.au/memberschoice

Members' Choice hospitals are subject to change from time to time and are not available in all areas.

GapCover – how to reduce your in-hospital medical out-of-pocket expenses

Medibank's GapCover is designed to help eliminate or reduce your out-of-pocket expenses for in-hospital doctor's charges.

Where your doctor decides to charge more than the MBS fee (the set government fee), you will be left with an out-of-pocket expense, commonly referred to as the 'gap'.

Doctors can choose to participate in GapCover on a claim-by-claim basis.

Check upfront with each doctor involved if they'll participate in Medibank's GapCover for each claim as part of your treatment, to help reduce your out-of-pocket expense. Out-of-pocket expenses may still apply.

It's important to know GapCover doesn't apply to diagnostic services. See your Member Guide for more information.

No Gap Programs

Eligible members who participate in a No Gap program will pay no out-of-pocket costs* on a wide range of medical services as part of a hospital admission for certain procedures at participating hospitals with participating surgeons.

For details on the No Gap programs including participating hospitals and surgeons, please visit medibank.com.au/health-services or contact our Medibank Health Support team on 1300 733 338.

Choice of treating doctor or specialist

You can choose your doctor or specialist when you're treated in hospital as a private patient.

Medical devices and human tissue products

For an Included or Restricted Service, we'll pay the minimum benefit as listed in the Australian Government's Prescribed List of Medical Devices and Human Tissue Products.

Travel and accommodation

We pay benefits for travel and non-hospital accommodation related to an eligible hospital admission. Travel benefits are payable where the patient must travel more than 200km return. Accommodation costs per admission are limited to \$20 per night and travel costs are set at \$0.15 per km. The total combined benefit payable for travel and accommodation is \$50 per admission. Conditions apply, refer to your Member Guide.

Continuous Positive Airway Pressure (CPAP)-type devices

Up to \$500 benefit per member every 5 years towards the hire or purchase of an approved device. Conditions apply, refer to your Member Guide.

How do orthodontic benefits work?

Your orthodontic limit starts with an opening balance which you can access after your 12-month waiting period.

Every year on 1 January after this waiting period, the balance is topped up with an additional amount up to the maximum lifetime limit.

The benefits you can claim after your waiting period:

Opening Balance	+	Any top ups	-	Any benefits ever claimed*	=	The benefit you can claim
-----------------	---	-------------	---	----------------------------	---	---------------------------

* Includes benefits paid by Medibank or other private health insurers.

Things you need to know about your Extras cover.

Waiting periods.

A waiting period applies when you join Medibank, or change your cover to include new or upgraded services. We won't pay benefits for any items purchased or services received while you are serving a waiting period.

Switching from another health insurer?

You may not need to re-serve waiting periods if you join Medibank within 2 months of leaving your previous health insurer, and you've already served the waiting period for that service. Benefits paid under your previous cover will be taken into account in determining the benefits payable under your Medibank cover.

Annual limits.

An annual limit is the maximum amount of benefits we pay towards services and/or items within a calendar year. A combined limit is an annual limit that applies to a group of services and/or items.

Where the annual limit increases, it will increase on 1 January each year, up to the maximum limit. The first increase will be applied only after you've served one full calendar year of membership.

Lifetime limit.

This is a once-only limit that isn't reset each year. When you reach this limit, you can no longer claim that benefit again, even if you change your cover.

Fixed Amount.

This is the amount we'll pay towards the cost of an Extras service or item if you visit a non-Members' Choice provider. It will generally be lower than the amount you would receive when you visit a Members' Choice provider. The amount of the Fixed Amount depends on the cover you hold and the type of service or item you receive.

(continued over page)

Benefit restrictions.

The Benefit Replacement Periods on your cover are shown below. A Benefit Replacement Period is the amount of time you need to wait from the date you purchase an item, before we pay towards a replacement for it.

Benefit Replacement Periods are separate to waiting periods.

Service category	Items	Benefit Replacement Period
Health appliances and external prostheses	Wigs, hip protectors and insulin delivery pens	24 months
	Other health appliances and external prostheses	36 months
Blood glucose monitors and blood pressure monitors	Blood glucose monitors and blood pressure monitors	36 months
Breathing appliances	Peak flow meters, spacing devices and nebulisers	
Major dental	Dentures, crowns and bridges	
TENS machine - purchase	1 machine	36 months

Additional limitations such as service restrictions (clinical reasonability rules) may apply to some individual dental items and services.

Limits also apply to how often you can claim on some extras services. For example, you can only claim on one mouthguard per person, per calendar year.

Please contact us on **132 331** before your treatment.

Helping you live better.

Use Members' Choice Extras providers.

Medibank has arrangements with providers for some (but not all) services - these are known as Members' Choice providers. We've negotiated capped prices that Members' Choice Extras providers can charge, which generally means more money back in your pocket. You can still use a non-Members' Choice Extras provider, as long as they're recognised by Medibank, but you won't be able to take advantage of the capped pricing.

Members' Choice Advantage providers are part of our Members' Choice Network and you may enjoy even better value when you need to use eligible extras services at these providers.

It's important to be aware that Medibank's Members' Choice and Members' Choice Advantage Extras providers are subject to change without notice, and are not available in all areas, so please check if they're a Members' Choice or Members' Choice Advantage provider before your treatment or service.

Find your nearest Members' Choice provider at medibank.com.au/memberschoice
