Key Terms

This summary aims to help you understand some of the key terms of your Contract. It does not explain all of the terms of your Contract, so it's important that you read all the terms and conditions of your Contract carefully.

This summary is not part of your Contract.

Our liability to you

Our liability to you may be excluded or limited in a number of situations under the Terms and Conditions. This includes where:

- the Merchant doesn't accept your payment or refuses to accept or honour a Transaction, or there is a problem with the goods or services you have purchased - see clauses 7 and 33;
- we rely on our rights under the Terms and Conditions - see clause 28; and
- we refuse to accept or process a Transaction in a situation where we aren't certain of your identity, or it would breach anti-money laundering and counter-terrorism financing laws - see clause 39.

Your liability to us

You may be liable for unauthorised transactions in some situations, including where you don't tell us about any suspected or unauthorised use of your Account, or you have let someone else access your PIN or password - see clause 20.

In addition, you indemnify us against any loss in relation to your undertaking in respect of anti-money laundering and counter-terrorism laws - see clause 39.

We can share your data

We can provide data about you to a third party which may identify you. We can do this where we are assigning our rights or where otherwise required by law - see clauses 27 and 39. We can also do this in accordance with our Privacy Policy (as amended from time to time) which you can view on the Zip Website at <https://zip.co/au/page/privacy>.

Our right to vary the contract

We can vary certain Terms and Conditions without your consent. We will usually give you notice before we do this, but we don't always have to. If you're unhappy with a change, you can terminate your Account - see clause 22.

Suspension, closure and default

We can suspend, close or otherwise deny access to your Account in some situations. This includes where you are late making a payment or we suspect fraudulent or suspicious activity. If we suspend or close your Account, you won't be allowed to make any further Transactions but your repayment obligations will continue. We can reduce your Credit Limit so that your Unpaid Balance exceeds your reduced limit in order to reduce our credit risk - see clause 29.

In some cases, you may be in default - you should familiarise yourself with these situations so you can prevent them from happening. If you don't remedy a default in the time allowed, then all amounts you owe us will be immediately due and payable and you may have to pay enforcement expenses - see clause 31.

We will give you at least 20 days' written notice before a change takes effect if we change the amount, frequency, time for payment or the method of calculation of repayments. However, where the change reduces your obligations or extends the time for repayment under this Contract, we will notify you of this change before or when the next Statement is sent after the change takes effect.

22.4 Credit fees and charges changes

We will give you at least 20 days' written notice before a change takes effect if we increase the amount of a credit fee or charge (or introduce a new credit fee or charge), or change the frequency or time for payment of a credit fee or charge. This notice may be given by publishing the notice in a manner that results in it being accessible to you and reasonably prominent. If we notify you in this manner, we will give you details of the change before or when the next Statement is sent after the change takes effect. However, where the change reduces your obligations or extends the time for payment under this Contract, we will notify you of this change before or when the next Statement is sent after the change takes effect.

22.5 Reducing the Credit Limit

If we reduce your Credit Limit, we will give you written notice as soon as reasonably practicable after the

reduction is applied, unless you are in default in which case no notice will be given.

Subject to the requirements of any applicable law or industry code, we will not reduce your Credit Limit (except as permitted by subclause 29d) if doing so would cause the Unpaid Balance of your Account to exceed the reduced Credit Limit.

22.6 Other changes made by us

For all other changes we make to the Contract without your consent that are not addressed in clauses 22.1 - 22.5 above, we will give you at least 20 days' written notice before the change takes effect, unless the change reduces your obligations or extends the time for payments, in which case we will notify you before or when the next Statement is sent after the change takes effect.

If you are not satisfied with any change or variation to this Contract, you may repay the total amount you owe to us at any time and close your Account.

23. Changes in your circumstances

You must contact us immediately to inform us of a change in your particulars, including when:

- a) your contact details change (including phone numbers, residential, delivery and email address);
- b) you have changed your name, either first or last name;
- c) you have been declared bankrupt or commit an act of bankruptcy;
- d) you would like to appoint a person to act on your behalf under a power of attorney; or
- e) your payment instructions change (for example you may wish to change your current Nominated Account details).

You must also tell us if you think there is any information that we should be aware of about your ability to comply with this Contract.

We may require written proof for changes in personal details.

24. Service of Notices

To the extent permitted by law, any notice or document given by us under this Contract or required by law or industry code or guideline may be given in writing, can be signed by any of our officers, and can be delivered personally, by pre-paid mail to the address you have nominated for delivery of notices and documents, or by email to your nominated email address, or if no such address has been nominated by you, your address as last known to us. Any such notice or document shall be deemed to have been received by you when it would have been delivered in the ordinary course of post or, if delivered by email, at the time it becomes capable of being retrieved by you at your email address.

25. Applicable Law

Your Contract is subject to the laws of the State or Territory in which you are ordinarily a resident when you accept our offer.

26. Intentionally deleted.

27. Assignments of rights and disclosures

This Contract cannot be assigned by you without our prior written consent.

You authorise us to assign, transfer or otherwise deal with our rights under this Contract without the need to obtain further consent from you. This will not affect your rights or obligations under the Contract.

You consent to us disclosing on a continuous basis any information or documents relating to you we consider necessary to assign such rights, manage the assigned Contract and assess your total liabilities to us and any related entity.

28. Exercise of our rights

- a) If we decide not to exercise a right, remedy or power, this does not mean we cannot exercise it later and you agree we are not stopped from doing so. In addition, to the extent permitted by law, we are not liable for any loss reasonably caused by exercising or attempting to exercise a right remedy or power or not exercising it, except where the loss is caused by our negligence, wilful misconduct or fraud.
- b) We will act reasonably when exercising our rights and discretion under these Terms and Conditions.

29. Closure of, or denial of, access to your Account

a) You may request that your Account be closed by:

- (i) giving us notice in writing or contacting us; and
- (ii) paying any Outstanding Balance in full, including Transactions, interest charges and fees and charges not yet shown on your Account.

b) If you request that we close your Account:

- (i) no further Transactions will be permitted; and
- (ii) your obligations under this Contract will continue until you pay us the total amount you owe us (including interest charges, fees and charges and other amounts you become liable to pay under the Contract and

which are not yet debited to the Account), at which point this Contract will be terminated.

c) We may decide at any time, subject to 29d) below, without prior notice and whether or not you are in default, to:

- (i) suspend your Account;
- (ii) close your Account; or
- (iii) reduce your Credit Limit so that the Unpaid Balance exceeds the reduced limit.

We will notify you if we do so, as soon as practicable.

d) Subject to the requirements of any applicable law or industry code, circumstances where your Account may be suspended or closed under subclauses 29c)(i) or (ii), or your Credit Limit reduced as per 29c)(iii) are where:

- (i) your Account has a Past Due Amount or a default is continuing (under clause 31); or
- (ii) in our reasonable opinion, we think or suspect that there has been suspicious or fraudulent conduct in relation to your Account or another product you hold with us; or
- (iii) we become aware of a material change in your financial circumstances that we reasonably consider may affect your ability to make repayments under the Contract; or
- (iv) there is no active valid payment method set up for Account repayments; or
- (v) in our reasonable opinion, we think or suspect that keeping your Account open may result in a breach or law, or the suspension or closure is otherwise reasonably necessary to manage our regulatory risk or financial exposure; or
- (vi) we are exercising a right under clause 30 or clause 41 or any obligation;
- (vii) we are instructed to by an enforcement agency, regulator or court; or
- (viii) you are abusive towards our staff members; or
- (ix) you are in default under another contract that you have with us (for example, a contract for a Zip Pay or a Zip Plus product) and that default is continuing; or
- (x) we have exercised our rights to suspend or close another account that you have with us (for example a Zip Pay or a Zip Plus product); or
- (xi) in the case that you are a director or officer of, or you operate, a merchant that holds a merchant facility with us:

- you use your Account to transact (in any way) at the merchant; or
- that merchant is in default under the terms of that merchant facility and that default is continuing; or
- we have exercised our rights to suspend or close that merchant facility; or

(xii) you no longer reside in Australia; or

(xiii) you are no longer either an Australian citizen or permanent resident; or

(xiv) you are bankrupt or have entered into a Part IX debt agreement or Part X personal insolvency agreement; or

(xv) you have made multiple unsuccessful attempts to apply for additional Accounts with us.

Notice of this suspension or closure will be provided as soon as practicable after the suspension or closure.

e) In the event of either 29c) or 29d):

(i) you will not be allowed to make any further Transactions; and

(ii) where your Account is suspended and/or your Credit Limit is reduced, you must continue to comply with your obligations under this Contract, including to pay the Minimum Repayment Amount each month and, if relevant any Past Due Amount; and

(iii) where your Account is closed, your obligations under this Contract will continue until you pay us the total amount you owe us (including interest charges, fees and charges and other amounts you become liable to pay under the Contract, including those which have not yet been debited to the Account), at which point this Contract will be terminated.

Subject to 29f) below, if we suspend your Account, you may continue to access information about your Account through the Zip Website. We will advise you when your Account is no longer suspended.

f) For the avoidance of doubt, if your Account is suspended or closed under this clause because you are in continuing default under clause 31, we may also send you a default notice and you may have an opportunity to correct the issue. See further clause 31 below.

g) We may, at any time acting reasonably, deny access to your Account for any reason including:

- (i) suspected fraudulent use;
- (ii) to prevent fraud or limit our regulatory risk, where we are exercising our rights under clause 30 or any obligation under clause 39 of the Contract;
- (iii) where we are instructed to by an enforcement agency, regulator or court;
- (iv) non-compliance with the Terms and Conditions where such non-compliance is likely to effect Zip's likelihood of being repaid under the Contract or affect the ability of Zip to provide the services under the Contract; or
- (v) if we reasonably consider a security issue has arisen which requires further investigation or we reasonably view as necessary to protect our systems.

h) If we suspend your Account, you may ask that it be reinstated. We will consider your request (for

example: whether you have remedied the default) and will not unreasonably withhold our consent to your request.

30. Appropriate use of our services

You must not use any of the services we provide in a way that would breach any law of Australia or any other country.

In some circumstances, we may need to delay, suspend, stop, block, end or refuse access to your Account or to a service Zip provides under your Contract. Examples of when we may do this include where we consider it reasonably necessary to meet our regulatory and compliance obligations or to protect our customers from harm arising from unlawful use of, or financial abuse conducted through, your Account or our services or where we are exercising our rights under clause 41.

We may take any of these measures for as long as we consider reasonably necessary, and we may not (and may not be allowed to) notify you before we do these things. We are not liable for any loss you incur because we exercise any of these measures.

You agree that we can disclose information we hold about you to regulatory and law enforcement agencies (including the Australian Tax Office), other financial institutions, and third parties. You must provide us with any information we reasonably request.

31. Default

You are in default if:

- a) the payment of a Minimum Repayment Amount is not made by the relevant Payment Due Date; or
- b) the Outstanding Balance of your Account exceeds the Credit Limit; or
- c) you do not comply with any other terms or conditions of this Contract, and where such non-compliance is in our reasonable opinion likely to affect Zip's likelihood of being repaid under the Contract; or
- d) we believe, on reasonable grounds, that we were induced by fraud on your part to enter into this Contract; or
- e) you make any materially false or misleading representation in relation to any matter to us that is not insignificant in the context of this Contract; or
- f) you use your Account for any unlawful, fraudulent or improper activity or you otherwise engage in unlawful, fraudulent or improper activity that is material in the context of this Contract; or
- g) you use your Account to transact (in any way) on a merchant facility held with us by a merchant that you operate or are a director or officer of; or
- h) you use your Account to make any payments to, or on behalf of, a business that you operate or are a director or officer of; or
- i) you have established more than one Zip Money Line of Credit Facility account with us.

If you are in default we may send you a default notice specifying the details of the default, how it may be corrected, and how long you have to correct it.

If you do not remedy the default within the time allowed then all amounts you owe us (including amounts which have been accrued but not yet debited to your Account) will be immediately due and payable. We may exercise our rights under this Contract subject to any additional obligations at law.

Enforcement expenses may be payable if you breach this Contract (for example, if you are in default and have not remediated the default within the time allowed). You must pay to us all reasonable enforcement expenses incurred by us or our agents in exercising our rights because you default. Enforcement expenses when charged are debited to your Account, and when we do so, they will be added to and form part of the Unpaid Balance.

Enforcement expenses may include reasonable solicitors' legal costs and the reasonable expenses of our staff and our facilities reasonably incurred in relation to any enforcement.

32. Commission

If we pay or receive commissions in respect of the Account, details of the commission as known are disclosed in the Line of Credit Schedule.

33. Exclusion of Warranties and Representations

- a) We do not warrant that recognised Merchants will accept Purchases. You should always enquire beforehand before selecting goods or services.
- b) We do not accept any responsibility should a Merchant refuse to accept or honour the Transaction.
- c) Unless the law requires, we are not responsible for any defects in the goods and services acquired by you through the use of the Account. You acknowledge and accept that all complaints about these goods and services must be addressed to the Merchant who provided or sold those goods and services. Even if you make a complaint or dispute regarding a Transaction, you must still pay us all amounts and charges charged to your Account. However, if you dispute a transaction made using your Account within 30 days of that Transaction, in certain circumstances, and after due process and investigation, we may seek a reversal

of the Transaction on your behalf (for example, where you did not receive the goods or services paid for). This involves the “charge back” or debiting of the Transaction from the Merchant’s account with its financial institution, and a crediting of that amount to your Account.

34. Warranties

You agree that all statements made, information and documents provided in connection with the application to us for the Account and all representations which you have made or may make to us whilst the Account is open are true and correct. You acknowledge that we have relied upon the correctness of those statements, documents or representations in entering into the Contract and will continue to do so in our dealings with you.

35. Your Legal rights

You have certain rights at law which cannot be limited or excluded. Nothing in the Terms and Conditions limits or excludes those rights, however our liability is limited to the maximum extent permitted by law.

36. Loss or damage if you breach your Contract

Subject to the Terms and Conditions and in addition to any rights we have to recover the Outstanding Balance of your Account, you agree to pay us for any loss, damage or costs we might have reasonably incurred if:

- a) you breach any law or regulation that applies to your Account or Transactions;
- b) you do not use your Account correctly; or
- c) you breach your Contract;

We are not responsible for any loss if a Password is stolen or misused except where we agree in the Terms and Conditions or where by law or applicable code we are responsible for any loss.

37. Appointment of signatories and attorneys

Subject to our approval we may allow you to appoint a signatory or another person (attorney) under power of attorney to act on your behalf and access your Account. We may require the signatory or attorney to sign our prescribed forms and their identity to be verified before they can access your Account. We will require satisfactory documentary evidence of the attorney’s appointment before we can allow the attorney to access your Account. We can refuse to accept any instructions from any signatory or attorney.

38. Interception and recording of communications

You agree and acknowledge that we can intercept, record, read or view by any means any communication you may have with or make to us by any means.

Communications include telephone calls, emails and any other form of electronic or wireless communication.

39. Anti-Money Laundering and Counter-Terrorism Financing

a) You acknowledge that:

- (i) we are subject to various Anti- Money Laundering and Counter-Terrorism Financing laws (AML/CTF Laws) which include prohibitions against any person dealing with the proceeds or, or assets used in, criminal activity (wherever committed) and from dealing with any funds or assets of, or the provision of finance to, any person or entity involved (or suspected of involvement) in terrorism or any terrorist act; and
- (ii) the AML/CTF Laws may prohibit us from offering services to, or entering into, or conducting Transactions with, you.

b) You agree:

- (i) that we are not required to accept or execute any instruction, or take any other action under, or in connection with, the Contract if we are not satisfied as to your identity (or if applicable, the identity of an appointed signatory or attorney), or where we suspect on reasonable grounds that by doing so we may breach the AML/CTF Laws;
- (ii) that we may delay, block or refuse to process any Transaction or release any monies on your instructions, if we believe on reasonable grounds that to do so may breach any law in Australia or of any other country, including the AML/CTF Laws; and
- (iii) that we will incur no liability to you for any loss you suffer (including consequential loss) however caused by reason of any action taken or not taken by us contemplated in paragraph b)(i) and (ii).

You agree to provide all information and documents to us which we reasonably require to comply with any law in Australia or any other country, including the AML/CTF Laws and agree that we may disclose information which you provide to us, or about Transactions you conduct, or seek to conduct, with us where we are required to do so by any such laws or regulations in Australia or elsewhere. You undertake that the payment of monies in accordance with this Contract or any instructions given by you will not breach the AML/CTF Laws and you agree to indemnify us against any loss arising where you breach this undertaking.

40. No set off or counterclaim

You agree to make all payments you owe us under the Contract in full, without any set-off or counterclaim. This means that you cannot deduct anything that you claim we owe you, or could in the future owe you.

41. Financial Abuse

We seek to protect our customers from harm arising from unlawful use of, or financial abuse conducted through, our products. We recognise financial abuse may happen to anyone and can include forms of family and domestic violence or elder abuse. We will investigate instances where we identify or are made aware that a product is being used in a financially abusive manner, including coercive or controlling behaviour to limit a person's access to or use of funds.

We may reasonably exercise our rights in this Contract to block use of your Account, or not agree to a credit limit increase, if we reasonably consider it appropriate to protect you, another customer or another person from financial abuse.

Form 5 - Information Statement

Things you should know about your proposed credit contract.

This statement tells you about some of the rights and obligations of yourself and your credit provider. It does not state the terms and conditions of your contract. If you have any concerns about your contract, contact the credit provider and, if you still have concerns, the AFCA scheme, or get legal advice.

The contract

1. How can I get details of my proposed credit contract?

Your credit provider must give you a pre-contractual statement containing certain information about your contract. The pre-contractual statement, and this document, must be given to you before:

- your contract is entered into; or
- you make an offer to enter into the contract; whichever happens first.

2. How can I get a copy of the final contract?

If the contract document is to be signed by you and returned to your credit provider, you must be given a copy to keep. Also, the credit provider must give you a copy of the final contract within 14 days after it is made. This rule does not, however, apply if the credit provider has previously given you a copy of the contract document to keep. If you want another copy of your contract write to your credit provider and ask for one. Your credit provider may charge you a fee.

Your credit provider has to give you a copy:

- within 14 days of your written request if the original contract came into existence 1 year or less before your request; or
- otherwise within 30 days of your written request.

3. Can I terminate the contract?

Yes. You can terminate the contract by writing to the credit provider so long as:

- you have not obtained any credit under the contract; or
- a card or other means of obtaining credit given to you by your credit provider has not been used to acquire goods or services for which credit is to be provided under the contract.

However, you will still have to pay any fees or charges incurred before you terminated the contract.

4. Can I pay my credit contract out early?

Yes. Pay your credit provider the amount required to pay out your credit contract on the day you wish to end your contract.

5. How can I find out the payout figure?

You can write to your credit provider at any time and ask for a statement of the payout figure as at any date you specify. You can also ask for details of how the amount is made up. Your credit provider must give you the statement within 7 days after you give your request to the credit provider. You may be charged a fee for the statement.

6. Will I pay less interest if I pay out my contract early?

Yes. The interest you can be charged depends on the actual time money is owing. However, you may have to pay an early termination charge (if your contract permits your credit provider to charge one) and other fees.

7. Can my contract be changed by my credit provider?

Yes, but only if your contract says so.

8. Will I be told in advance if my credit provider is going to make a change in the contract?

That depends on the type of change.

For example:

- you get at least same day notice for a change to an annual percentage rate. That notice may be a written notice to you or a notice published in a newspaper;
- you get 20 days written notice for:
- a change in the way in which interest is calculated; or
- a change in credit fees and charges; or
- any other changes by your credit provider;

except where the change reduces what you have to pay or the change happens automatically under the contract.

9. Is there anything I can do if I think that my contract is unjust?

Yes. You should first talk to your credit provider. Discuss the matter and see if you can come to some arrangement. If that is not successful you may contact the AFCA scheme. The AFCA scheme is a free service established to provide you with an independent mechanism to resolve specific complaints. The AFCA scheme can be contacted by phone on 1800 931 678, by email at info@afca.org.au, through AFCA's website at www.afca.org.au, or by post to GPO Box 3, Melbourne, VIC, 3001.

Alternatively, you can go to court. You may wish to get legal advice, for example from your community legal centre or Legal Aid. You can also contact ASIC, the regulator, for information on 1300 300 630 or through ASIC's website at <http://www.asic.gov.au>.

Insurance

10. Do I have to take out insurance?

Your credit provider can insist you take out or pay the cost of types of insurance specifically allowed by law. These are compulsory third party personal injury insurance, mortgage indemnity insurance or insurance over property covered by any mortgage.

Otherwise, you can decide if you want to take out insurance or not. If you take out insurance, the credit provider cannot insist that you use any particular insurance company.

11. Will I get details of my insurance cover?

Yes, if you have taken out insurance over mortgaged property or consumer credit insurance and the premium is financed by your credit provider. In that case the insurer must give you a copy of the policy within 14 days after the insurer has accepted the insurance proposal. Also, if you acquire an interest in any such insurance policy which is taken out by your credit provider then, within 14 days of that happening, your credit provider must ensure you have a written notice of the particulars of that insurance. You can always ask your insurer for details of your insurance contract. If you ask in writing your insurer must give you a statement containing all the provisions of the contract.

12. If the insurer does not accept my proposal, will I be told?

Yes, if the insurance was to be financed by the credit contract. The insurer will inform you if the proposal is rejected.

13. In that case, what happens to the premiums?

Your credit provider must give you a refund or credit unless the insurance is to be arranged with another insurer.

14. What happens if my credit contract ends before any insurance contract over mortgaged property?

You can end the insurance contract and get a proportionate rebate of any premium from the insurer.

General

15. What do I do if I cannot make a repayment?

Get in touch with your credit provider immediately. Discuss the matter and see if you can come to some arrangement. You can ask your credit provider to change your contract in a number of ways, for example:

- to extend the term of the contract and reduce repayments; or
- to extend the term of your contract and delay repayments for a set time; or
- to delay repayments for a set time.

16. What if my credit provider and I cannot agree on a suitable arrangement?

If the credit provider refuses your request to change the repayments, you can ask the credit provider to review this decision if you think it is wrong. If the credit provider still refuses your request you can complain to the AFCA scheme. Further details about this scheme are set out below in question 17.

17. Can my credit provider take action against me?

Yes, if you are in default under your contract. But the law says that you cannot be unduly harassed or threatened for repayments. If you think you are being unduly harassed or threatened, contact the AFCA scheme or ASIC, or get legal advice.

18. Do I have any other rights and obligations?

Yes. The law will give you other rights and obligations. You should also READ YOUR CONTRACT carefully.

IF YOU HAVE ANY COMPLAINTS ABOUT YOUR CREDIT CONTRACT, OR WANT MORE INFORMATION, CONTACT YOUR CREDIT PROVIDER. YOU MUST ATTEMPT TO RESOLVE YOUR COMPLAINT WITH YOUR CREDIT PROVIDER BEFORE CONTACTING THE AFCA SCHEME. IF YOU

HAVE A COMPLAINT WHICH REMAINS UNRESOLVED AFTER SPEAKING TO YOUR CREDIT PROVIDER YOU CAN CONTACT THE AFCA SCHEME OR GET LEGAL ADVICE. THE AFCA SCHEME IS A FREE SERVICE ESTABLISHED TO PROVIDE YOU WITH AN INDEPENDENT MECHANISM TO RESOLVE SPECIFIC COMPLAINTS. THE AFCA SCHEME CAN BE CONTACTED AT 1800 931 678, BY EMAIL AT INFO@AFCA.ORG.AU, THROUGH AFCA'S WEBSITE AT WWW.AFCA.ORG.AU OR BY POST TO GPO BOX 3, MELBOURNE, VIC, 3001.
