**Important**

- This Transaction Listing is not a statement of account.
- It is a list of transactions (including pending transactions) for the selected date range, as at the time and date the listing was created.
- Depending on selected date range, it may include transactions which appeared on previous statements, and may not include all transactions processed since the last statement was issued.
- With the exception of cheque serial numbers, the information shown in the details column may be abbreviated.
- A debit does not always indicate that a payment has been processed.
